Can you help us learn about recovery and social identity?

Are you aged 18 or over?

Have you experienced psychosis (diagnosed or self-
defined)?

IF SO, WE'D LIKE TO HEAR FROM YOU!

WHAT WOULD TAKING PART INVOLVE?

You would fill out some questionnaires about your recovery and level of wellbeing

You would create a 'map' of your social groups

You may be asked to take part in an interview about your social groups

All participation will take place online

Inconvenience allowance for participation
